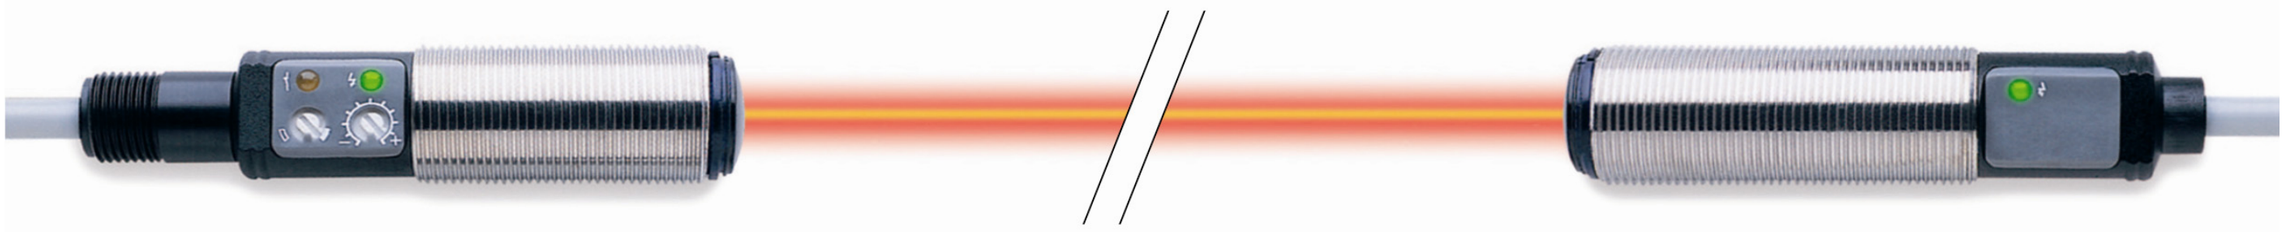
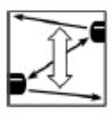
PWR

Telco sensors® MAKING SENSE OF TECHNOLOGY

Seeing is Believing

Steam, Water, Dirt – No Problem





EASY ALIGNMENT

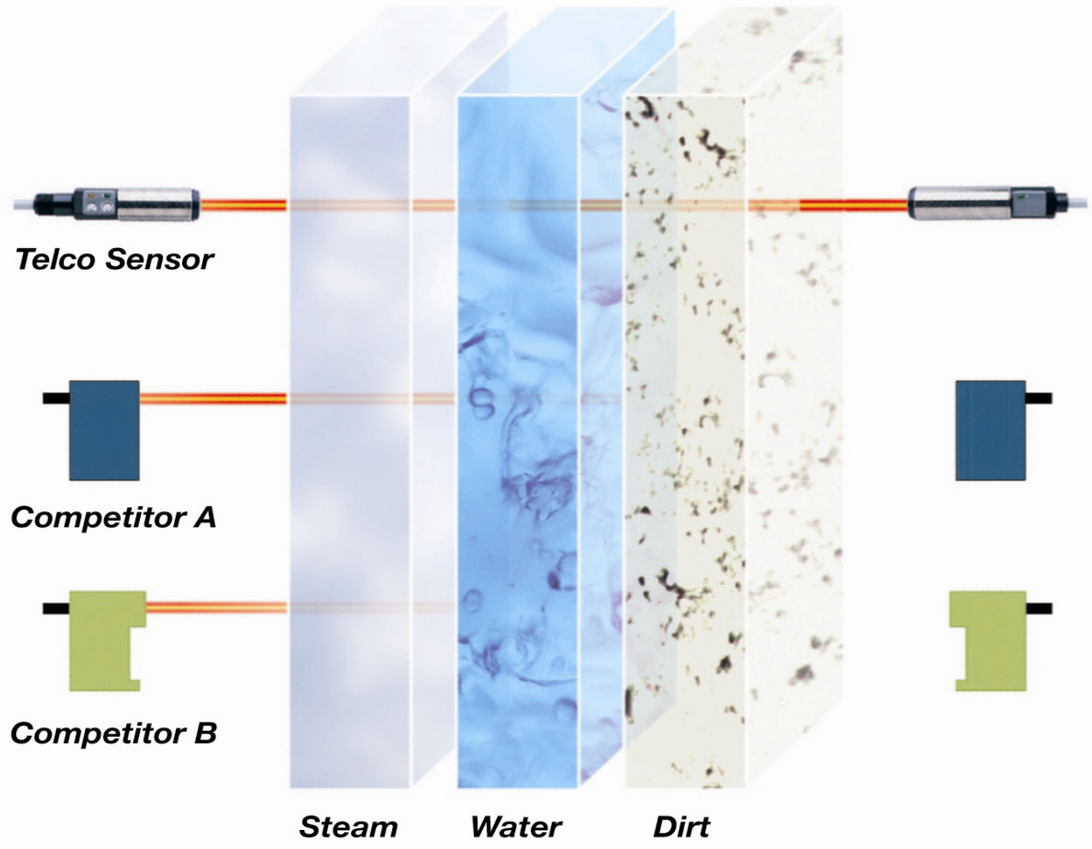
PENETRATION POWER - IMMUNITY TO CONTAMINATION

WATER RESISTANT - IP 67

IMMUNITY TO LIGHT

VIBRATION & SHOCK RESISTANT

Our worldwide reputation is built on solving the most difficult photoelectric eye problems. Call us with your challenge.



Telco photoelectric sensors out perform all others when it comes to cutting through the heaviest airborne contamination.
